

I listen to K-LOVE radio network daily at work in the Visalia/Fresno area. K-LOVE provides me with commercial free Christian music that is not available on any other station. It also provides me with good national news and information I haven't found in other news radio broadcasts. If K-LOVE were displaced by and LPFM broadcaster here there would be nothing to replace it. The fact that this radio station is listener supported shows that it is providing the kind of unique programing we want to hear. Do not let a new LPFM station take priority over K-LOVE. I listen to K-LOVE on 106.3 and 91.1.
